

SINGULAR ADMINISTRATION

Commerce Benefits Group is a full service administrator capable of servicing the diverse needs of today's employer groups. A Third Party Administrator is no longer an entity that just processes claims, but rather a benefits management resource that provides diversified services to meet the complex needs of today's employer groups. Commerce Benefits Group provides a variety of services in order to consolidate the delivery of health care. Each of our services is carefully selected from the best resources available in the industry to assure that the demands of our clients are met with regard to both quality and economy.

Commerce Benefits Group is your single-source for delivery of medical benefits. Our services include, but are not limited to:

- State-of-the-Art Information Delivery Systems
- Management Reports
- Managed Care Access
- Utilization Management
- Prescription Drug Benefits
- Reinsurance Marketing
- Employee Communication
- Case Implementation
- Superior Customer Service

SERVICE DEDICATION

Our New Group Installation is tailored to meet the needs of our clients and their employees. Commerce Benefits Group employs a systematic, yet flexible implementation process designed to serve even the most discriminating client. Commerce Benefits Group works closely with benefits managers to ensure that their employees understand the benefits program. We assist during each stage of implementation including planning meetings, timeline development, employee communication, enrollment meetings and distribution materials.

Our entire staff is accessible to our clients during the implementation stage and for ongoing service. Account representatives, claims examiners, sales directors and all company executives are available to our clients. Our commitment to "hands on" service gives our clients the reassurance that their benefit matters are being handled proficiently.
